AURASMA

Our 2015-2016 edition of the Marian Madrigal features a blessing from Bishop Rhoades in a program called "Aurasma". Aurasma is a program that allows a picture to feature a video alongside it. The way this program works is simple. If you own a smartphone, download the "Aurasma" application, (you do not need to make an account). The first thing that you have to do is follow the *Marian Yearbook 2016* account. Then, you can use your device and access the auras by positioning your camera, (while in the app.), over Bishop Rhoades' picture directly below.

The Fall Play:

"THE CURIOUS SAVAGE"

The Curious Savage

THE STORY: Mrs. Savage has been left ten million dollars by her husband and wants to make the best use of it, in spite of her grown-up stepchildren's efforts to get their hands on it. Knowing that the widow's wealth is now in negotiable securities, and seeing they cannot get hold of the fortune, the stepchildren commit her to a sanatorium hoping to "bring her to her senses." In the sanatorium Mrs. Savage meets various social misfits, men and women who just cannot adjust themselves to life, people who need the help Mrs. Savage can provide.

Isabel's Note:

I'm proud of the memories I have made here at Marian. With all the tough times, tests, studying, and never ending homework, I made it! This book is full of hard working students and lasting memories I am happy to share! Good luck to everyone in their endeavors!

Maggie's Note:

Joining yearbook was one of the smartest decisions I have made my senior year. I have become a bigger part of my school and have had the chance to know everything that is happening. It has helped me appreciate Marian more as the year comes to an end. I am very proud of what have been able to accomplish throughout the years.
